Dear Sir,

M. TANKER "I KWANG"

CAS. 3/50

Further to our letter of the 7th June, 1950, in which we informed you that the work of demolishing the above named vessel was under way, we have to inform you that the vessel now appears to be being fitted out for further service, possibly as a lighter.

We have advised the previous Owners of the vessel, who sold it on a definite undertaking that it would be broken up for scrap, and they are investigating.

As soon as any definite information is available regarding this vessel, we will write to you again.

Yours faithfully,

John Wormald.
FOR THE SURVEYORS.

The Secretary,
