

# Lloyd's Register of Shipping,

342, Argyle Street, Glasgow.

March 2<sup>nd</sup> 1915.

## Reference

T. S. S. Badora

Particulars of dia. etc. of rivets, and  
lengths & <sup>sizes</sup> ~~diameters~~ of hawsers &  
warps now filled in.

It is regretted that the breaking test  
of steel wire towline, and the smallest  
distance between boilers & bunkers are  
not known. These will have to be  
obtained from Calcutta.

John Mackintosh.
