

Chief Ship Surveyor 18. 2. 14.

Received from Chief Ship Surveyor

'S NAME *Sh. 211. "Badara"* Rpt. *Elb.* No. *33622.*

Remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Survey

St. Irish Entry

It is submitted the Calcutta Surveyor be informed that this vessel has been shipped in pieces to his port, and he should be requested to give the case the necessary attention and forward a report on Form 8 to this Office on completion of the work with a view to the classification of the vessel.

A copy of the Glasgow First Entry report, and a copy of the midship section should be sent to him for his information and guidance in dealing with the case.

Elb. *ME*
18. 2. 14

The Surveyor should at the same time be informed that before commencing the survey for the re-erection and completion of this vessel he should ascertain whether the Owners desire to have the vessel completed under his survey with a view to the assignment of a class in the Register Book, and if they are willing to pay the fee for this survey.
