

12 AUG 1931

s.s. "KORIAK".

---

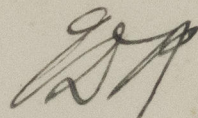

The Boiler Survey became due in November last.

In reply to enquiry the Owners write that as the vessel has been converted into a floating crab factory, classification is not necessary for the time being.

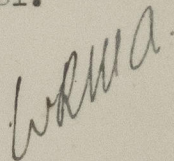

IT IS SUBMITTED the vessel's class be withdrawn from the Register Book, and three dots inserted in lieu, indicating withdrawal of class at Owners' request.

Withdraw class.
