

EBOARD REPORT on the

"Wulsty Castle"

On enquiring over the phone this morning Messrs Rethymnis & Kulukundis stated that the name of this vessel will be changed to Craggan when the registration is completed. The port of registry is still in doubt. They desire that the despatch of the freeboard cert. to Amsterdam be delayed for a day or two and they will advise this office of the full particulars later.

It is submitted the Amsterdam Surveyors be advised and requested to forward particulars of the additional stiffening fitted to the exposed parts of the machinery casing, to enable their report to be completed.
