10th April, 1924.

Dear Sirs,

I have to acknowledge the receipt of your letter of the 7th instant respecting Messrs. A.-B. Gotaverken's Nos. 376-7, and to acquaint you that provisional freeboards have not yet been assigned to these vessels.

The only computation which has been made was based on figures ascertained from a small scale drawing, and I shall therefore be glad if you will forward full particulars on report form 11b for provisional freeboard assignment.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

Surveyors,

37'-6" GOTHENBURG.
