Dear Sir:-

In reply to your letter of the 24th,
of December S. S. "WAR SENECA"

With regard to this vessel I have to
state that the beams are 14 x 14 and 14 x 12 as shown
on the approved plans. The special treatment of the timbers
was by means of coating with a creosote composition. I beg
to enclose a dimension sketch of the steel box keelson.

I have not been able to cable you up
to the present regarding the fees as these have not been
paid.

Yours very truly,
