The Special Survey No.3 became due in April 1923.

In March last the Committee agreed to a proposal of the Owner to submit the vessel to the Special Survey No.3 during April or May.

A letter has now been received from the Society's Cadiz Surveyors, from which it appears that the Owner has informed them that as the vessel is not insured he does not intend to carry out this inspection.

In the circumstances, the Classing Committee, who had the case before them on Friday, 6th instant, decided to expunge the class with a red line (6.24), indicating non-compliance with the Society's Rules.
