18th March, 1924.

Dear Sirs,

I am in receipt of your letter of the 11th instant respecting the steam trawler "CIMARRON" and in reply I have to say that the Committee, who had the case before them at their Meeting to-day, are agreeable to the Owner's proposal to drydock this vessel and have the Special Survey No. 3 and survey of the screwshaft carried out at Cadiz in April or May next. I shall be glad if you will inform the Owner accordingly.

I note your remarks in regard to the Boiler Survey and may say that the receipt of the report of this inspection is awaited in due course.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

Surveyors,

CADIZ.
