Dear Sirs,

I shall be glad if you will ascertain from the Owner of the Steam Trawler "CIMARRON" and let me know what definite arrangements he proposes making to have the Special Survey No.3 and the Screwshaft Survey, which became due at the end of April and March last respectively, carried out.

I may say that a notice in regard to these inspections was addressed to the Owner on the 2nd June to which no reply has been received.

At the same time I shall be glad to learn what arrangements are proposed to be made for the Boiler Survey, which became due at the end of November last, to be held.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

the Surveyors,

BILBAO.
