LLOYD'S REGISTER OF SHIPPING.

Leghorn. 20th February, 1924.

To. The Captain of the Aux. S.V. "ANTONIO PADRE".

Livorno.

With reference to the classification of the vessel under your command in the Society's Register Book, I beg to inform you that the annual survey on the donkey boiler which became due last August does not appear to have been yet held. I shall therefore be glad to learn whether that survey will be held during the stay of your vessel in this port.

Awaiting the favour of your reply,

Yours etc.

(signed) A. Gori.

Surveyor to Lloyd's Register.
