

TRANSLATION.

IOVANNI VAJO.

Livorno. 20th February, 1924.

1. "ANTONIO PADRE".

With reference to what you wrote him about the donkey boiler
vey of this vessel, the Captain has decided to carry it out here
never you require. You may therefore wend on board whenever you
1.

Yours etc.

Should the hot test be required, it will be done when the vessel
bout to leave, will this do .?
