

S.S. "WILLIAM LAMBKIN".

The Hull has been built at Aberdeen under Special Survey for Classification with this Society.

The Engines and Boiler have been constructed and installed on board under the supervision of the Surveyors of the British Corporation and the Certificate issued by them is attached hereto.

As it is provided in the Committee's Circular letter, dated 16th March, 1918, that in such cases this Society will issue the Machinery Certificate with the notation of LMC with date in red, it is submitted that this vessel is eligible for the record of LMC 7.19.
