The Boiler Survey became due on this Trawler
in June, and as the Owners intimated last year that they
desired the classes of all their fishing fleet to be
withdrawn from the Register Book as soon as the vessels
became due for survey, the Classing Committee, who had
this case before them on Tuesday, the 18th instant, decided
to give instructions for the vessel's class to be withdrawn
from the Register Book, and three dots (...) inserted in
lieu, indicating withdrawal of class at Owners' request.
