Ordinal Surveys, when held, must be reported in detail and seriatim in the terms of the Rules. State clearly the extent of Repairs, if any, and, in detail, the nature and extent of Examinations and subsequent repairs. Repairs of Account of Damage (the cause of which must be stated) should be separated from Repairs due to other causes; and besides being detailed in the body of the report, should be summarised in the form shown below. Whenever the renewal or cement of Anchors or Chains is reported, the particulars should be clearly stated in the space provided on the back of this form. State also the dates and initials of any letters respecting this case. .....

In damage cases where the Surveyor has not made a special damage report he is required to state whether he offered his services for this purpose and to whom and why they were declined? ..... Was a damage report made by anyone else? If so, by whom? .....
