Reference "H".

Dear Sir,  
Steam Tral<sup>ers</sup> "RIO VOUGA" "RIO MINHO"  
" " "RIO TEJO" "RIO ZEZERE"

I regret to note that you should have had to refer to this matter again in your letter of the 16th instant. I have been waiting to get a written reply to my letter from the Owners of these trawlers regarding same, but without success. They simply state that they intend to put them in Veritas as Veritas people do not bother them and very seldom if ever go on board, which evidently suits their purpose.

I am, Dear Sir,

Yours faithfully,

Signed:- Geo. Payne.

Andrew Scott. Esq.,  
Secretary.
