OWNERS: Robin Line Steam Ship Company, Incorporated
 (Skinner & Eddy Corporation, Managers)

In a letter, dated 2nd ultimo, the Owners' Agents state
 that they have received from the Owners that it is not
 intended to maintain the classification of these two steamers in
 the Register Book.

The cases received the consideration of the American
 Committee on the 13th ultimo, when it was decided to withdraw the
 class of each vessel from the Register Book and to insert three
 dots (...) in lieu thereof, indicating withdrawal of class at
 Owners' request.

6th October, 1921.
