Enclosure

25th July, 1921.

Dear Sir,

I enclose herewith a copy of a letter received from the Nippon Yusen Kaisha requesting that the classification of the steamers "TOKUSHIMA MARU" and "TOTTORI MARU" may be discontinued on the expiration of their existing certificates.

These are sister vessels, and no survey is due at the present time. The boilers of the "TOKUSHIMA MARU" will become due for survey at the end of this month, and the Special Survey No. 2 will become due in each case at the end of September next.

In the circumstances I shall be glad if you will kindly furnish me with any remarks you may have to make on the Owners' application.

I am, Dear Sir,  
Yours faithfully,

H. J. Cox, Esq.,  
KOBE.

Secretary.
