To the Secretary of Lloyd's Register

71 Fenchurch street

LONDON E.C.

Dear Sir

I have your y'days favor whereby I notethat you understand my letter of the 21/inst as meaning that I am satisfied with the action of the Society's surveyors in the superintending the building of the steam trawler "LA MOUETTE".

Perhaps did not I explain myself suffioiently well, but I must say that if I am very pleased indeed with the action of your last surveyor, I cannot speak as well of the action of your surveyor at HULL, against whom I had to present a complaint to your good self, which complaint, I, after the defects seen by myself with your senior surveyor, must maintain to such an extent that I shall never build any vessel under the supervision of your register in the Hull district, so long said surveyor acts there.

yours faithfully

F. Magnier
