# Lloyd's Register of Shipping,

18½, Regent Quay,

Aberdeen, 26th October, 1920.

The Secretary,

LONDON.

Sir,

I beg to draw your attention to the case of the Steel Drifter  
"Chimera", No. 54540 in the Register Book.

This vessel has undergone structural alterations at Peterhead,  
without our being informed of same. A Bulkhead has been fitted to  
form a Cross Bunker, and the Bunker ends as originally built in vessel  
removed. This Bulkhead is not watertight, the Side Stringers also  
were cut, and have not been kneed to bulkhead. It is requested that  
the Class be withheld until this Bulkhead is to our satisfaction, which  
the Owner proposes carrying out at Peterhead after the Yarmouth  
fishing.

I am, Sir,

Your obedient servant,

*J. Richardson*
