High Close, Wokingham, Berks.

10th May, 1943.

Dear Sirs,

With reference to my classing letter of the 7th instant regarding your First Entry Report No. 5819 on the Minesweeper "FLINT", the Committee have asked me to enquire the reason of the three months' delay in reporting this case seeing that your survey was completed in December and the report was not despatched until the 31st March.

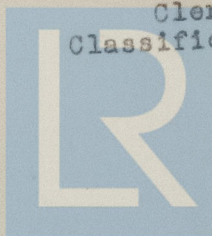

It is observed that your reports were apparently written in January and were not signed by the Builders until the 3rd March, but it is not thought that this should have held up despatch.

Your comments are accordingly awaited.

I am, Dear Sirs,
Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
MONTREAL.
