-----  
The First Special Survey No.1 of this vessel became due in December, 1928, and the Screw Shaft Survey in April last.

The Owners have now informed the Society's Surveyors at Leningrad that in view of the expense which would be involved in putting the steamer through Special Survey, they have decided to withdraw her from the Society's Classification.

The Classing Committee had the case before them on Friday, 15th instant, and in the circumstances decided to give instructions for the vessel's character to be withdrawn from the Society's Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
