Enclosures.

23rd October, 1929.

Dear Sir,

I think it well to enclose herewith for your information a copy of a letter, dated 18th instant, with its translated enclosure, received from the Society's Hamburg Surveyors in reference to the withdrawal from the Society's classification of the Steamer "KOVDA", owned by The Sovtorgflot, and with regard thereto I shall be glad, before any action is taken, if you will kindly ascertain whether the Owners desire the class of this vessel to be deleted from the Register Book. You should at the same time endeavour to ascertain confidentially what are the Owners' intentions regarding the maintenance of the Society's classification for the other vessels of their fleet.

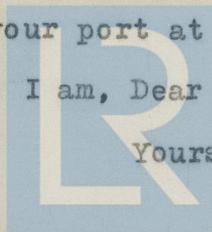

You will observe from my letter of the 19th July last that the First Special Survey No. 1, which became due in December last, has been allowed to be postponed until the vessel is drydocked at your port at the end of the year.

I am, Dear Sir,

Yours faithfully,

A. J. Helyer, Esq.,

LENINGRAD.
