in R.B. respectively.

steam trawlers "CAVIEDA",
"NOVELLI" & "WAR DUKE".

Reverting to your letter of the 31st ultimo advising me that these vessels are now owned by Messrs. J.N.&H.Bacon, of your port, please let me know by return post if possible, whether the actual owners are the Trawlers (White Sea & Grimsby) Ltd., which is managed by the above Firm as stated on page 15 of the List of Shipowners.

I may say that Messrs. Bacon although managing twenty steam trawlers do not appear to be the owners of any of them.

Assistant to the Secretary.
