

OF HULL,

24th. January. 1913.

W.H. Roberts, F.L. Sturgeon, & P. Fitzgerald,

have surveyed during construction the hull, engines and boiler and auxiliary machinery of H.M. Trawler, "HENRY FORD", built by Messrs. Cochrane & Sons., Ltd., Selby, and that the hull, machinery and other equipment have been constructed in accordance with the requirements of Lloyd's Register of Shipping, and all materials and workmanship are good and that the undersigned will recommend that the vessel be classed 100.A.1. "Steam Trawler".

The whole of the work covered by the specifications and drawings except where otherwise approved as well as alterations and additions subsequently approved by the Admiralty have been carried out and completed to the satisfaction of the undersigned.
