This trawler became due for Boiler Survey in January last, but the Owner states that as his other vessels are classed with the Bureau Veritas he has decided to transfer this trawler to the classification of that Society.

In the circumstances the Classing Committee, who had the case before them on Friday, 23rd instant, decided to give instructions for the vessel's character to be withdrawn from the Society's Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owner's request.
