Report Lon. No. 87910^a

For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report 24/5/1924.)

of Survey _____

When due _____

The s.s.No.3 became due 8,23 and a proposal to carry out the same before the expiration of the year of grace has been agreed to.

The Grimsby Surveyors now state the vessel has been sold and they have been unable to persuade the Owners to depart from their practice of running their fleet unclassified, and the Surveyors have been requested verbally to notify this Office that the Owners do not wish to continue the vessel's classification.

It is submitted the vessel's class be withdrawn from the Register Book and three dots (...) inserted in lieu, indicating withdrawal of class at Owners' request.
