Lloyd's Register of Shipping,

Received 5.6.24.

GRIMSBY.

Answered.....

4th June, 1924.

Dear Sir,

We are informed by the Secretary to Sir Alec Black Bart., that you have already been notified as to this Owner's recent purchase of the fleet of steam trawlers formerly owned by Messrs.J.W.Smethurst and also H.Smethurst, and we now beg to advise you that of these vessels the following have been resold to Messrs.James N. & H. Bacon :-

"NAIRANA", "CATRIAN", "LORD CECIL", "LORD NORTHCLIFFE",  
"RAYMONT", "ROBINA", "BIDER" (not classed).

We have called upon this company with reference to the possibility of their retaining the classification of these vessels, but regret to have to state that we were unable to persuade the New Owners to depart from their practice of running their fleet unclassified, and we were verbally requested to notify you that they do not wish to continue the Society's classification of the above vessels.

We are, Dear Sir,  
Yours faithfully,

The Secretary,  
LONDON.

The Surveyors.
