Dear Sir:-

s.s. "HORACE S. WILKINSON".

In reply to your letter of the 7th ult. I have to state, I am advised by the Society's Surveyor at Cleveland that he has not yet been able to make further arrangements for the carrying out of the Special Survey No. 1, and the survey of boilers, the Owners having requested that the matter of the continuance of the classification be deferred until the opening of navigation and the vessel being at present laid up for the winter.

I am, Dear Sir,

Yours faithfully,

Secretary to the
