LISBON, 13th April 1921.

Dear Sir,

Replying to your letter dated 23rd March with regard to the steam trawler "CINTRA", I have now been able to obtain the information that this vessel is expected back in Lisbon about the 18th or 20th instant and so far arrangements have been made to dry dock this vessel a few days afterwards. As soon as the vessel is here, I shall be able to go into the matter with the Owners with regard to the items required for the completion of the Special Survey No. 3 and to advise you in due course.

I am, Dear Sir,

Yours faithfully,
