VESSEL'S NAME See S.S. No. 14

Report Aug. No. 2730

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey \_\_\_\_\_

First entry

It is submitted that before this case receives the consideration of the Committee the Sunderland Surveyors should be informed that this Vessel has proceeded to their port to be fitted with her machinery and boilers, and they should be requested to see that the casings over the deck openings are completed and made good to their satisfaction. On completion of the work they should report upon the same on form No. 8 for the information of the Committee in the usual manner, with a view to the classification of the Vessel.

Lv: to Sld. 18/9/03.
