Enclosure.

6th July, 1921.

Dear Mr.Cox,

Adverting to my letter of the 1st instant, regarding the fleet of the Osaka Shosen Kaisha, we have just received from the Nippon Yusen Kaisha a letter, dated 17th May, a copy of which I enclose.

The "PENANG MARU", the class of which is proposed to be withdrawn on the expiry of her existing certificate is a steamer of 5214 tons, built in 1913, and before taking action on the request of the Owners I shall be much obliged if you will favour me with any remarks you may be able to make thereon.

With kind regards,

Yours faithfully,

H.Jasper Cox, Esq.,

KOBE.
