Dear Sirs,

With reference to your letter of the 3rd May, 1934 addressed to the Society's Liverpool Office regarding your steamer "THURSTASTON", in which you intimated that our survey was no longer required on your vessels once they were twelve months old, I beg to acquaint you that the case of your steamer "MIDSTON", the screwshaft survey of which became due at the end of last month, was submitted to the General Committee at their Meeting today when instructions were accordingly given for the vessel's character to be withdrawn from the Society's Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

I am, Dear Sirs,

Yours faithfully,
