Report

No. 87411

For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Survey

B. I.

When due 11.23.

The Boiler survey became due in November last.

In reply to enquiry the Boulogne Surveyor now states that he is informed by the Owners that as all their trawlers are now classed with the Bureau Veritas they have also given this vessel to them in order to have one classification Society only.

They request the vessel's name to be removed from the Register.

It is submitted that the vessel's class be withdrawn from the Register Book & three dots (.) inserted in lieu thereof indicating withdrawal of class at Owners request.
