"GRIZ NEZ"

acknowledge

I beg to ~~acknowledge~~ the receipt of a copy of a letter which you have sent to Messrs Boucher<sup>let.</sup> Sons & Co., in regard to this trawler.

To-day I enquired of the Owners as to their intentions respecting the surveys.

They replied that they were sorry, but that as all their trawlers were classed with the Bureau Veritas they had also given the "Griz Nez" to them so as to have only one classification Society.

This vessel is therefore to be struck off the list of vessel classed with Lloyd's Register.
