

"CADDQ", "CALUSA", "CATAWBA",
"COLINA", "CONASTOGA" and "CORSICANA".

In January 1942 the New York Surveyors stated that the first three of the above vessels had been sold to the United States Navy, to whom it was proposed to sell the remaining vessels on completion.

A cablegram has now been received from Mr. Bennett at New York, intimating that the six vessels in question should be omitted from the Register Book.

In the circumstances it is submitted that all particulars of these cases should be omitted from the forthcoming reprint of the Register Book.
