

Lloyd's Register of Shipping.

3, Steinhoeft,

Hamburg, 23rd May, 1935.

Dear Sir,

Following receipt of your letter of the 17th instant respecting the payment of the fees due for the new Motorships "GADILA" and "GENOTA" I have discussed the matter with both Messrs. Howaldtswerke and Messrs. Deutsche Werft and have learned that both firms are at present obtaining the necessary permission from the Finance Authorities for making the payments in question and it is expected that these payments will be received in London in the course of the next few days.

In the circumstances and bearing in mind that all accounts rendered to both of these firms by the Society have been paid hitherte as promptly as possible it is suggested that full particulars of classification be inserted in the forthcoming edition of the Register Book in the case of these ships.

I am, Dear Sir,

Yours faithfully

The Secretary,
