QUESTION.

With reference to your report No. 10637 and memorandum of 29th August last I shall be glad to learn how this case stands as regards the placing in order of the vessel's equipment and spare gear.

assl.

ANSWER.

Date:— February 8th 1939.—

The Owners' Agents state that they have not yet been able to obtain a length of tested chain cable, but that this will be supplied not later than May next, so that it may be verified at the time of the Annual Survey.

They add that the spare gear has now been placed on board, and will be submitted for inspection at the same time.
