Extract from letter dated 17.5.24 *received from* Lisbon

Original letter with S.S."GONCALO VELHO"

Vessel's Name S.S."GRANJA"

S.S."GRANJA". The charterers of this vessel who are also owners of the "GONCALO VELHO" now inform me that the "GRANJA" boiler survey will be carried out on her return to Lisbon about the end of May and vessel will probably dry dock if a dock is available as they have chartered this vessel for a further period of three months
