LISBON, 27th February, 1924

Dear Sir,

Replying to your letter dated the 20th inst in connection with the s.s. "GRANJA", I have now seen the charterers, who are Messrs. Sociedade Corretora, Ltd, who are the Owners of the "GONÇALO VELHO", and they have promised to advise me by the end of this week as to what can be done with regard to the Boiler Survey. Vessel is advised as being at the moment at Antwerp, but due at Oporto shortly, and if it is not possible for the survey to be held by myself at Oporto, I think that London would be the next most convenient place. I will advise you immediately I am in receipt of something definite.

I should point out that your letter dated the 8th January last on the subject, does not appear to have reached this office.

I am, Dear Sir,

Yours faithfully,

Andrew Scott, Esq.,  
Secretary,  
LONDON.
