Dear Sir,

I have to acquaint you that to complete the Special Survey No. 1 which became due in November 1916 on the Steamer "GRANJA" the bottom and rudder require to be examined in drydock, or on blocks and the screw shaft and sea connections examined. It is understood that the Vessel is now on her way to Lisbon via Lobito Bay and St. Thome, and I shall therefore be glad if you will give the matter attention on her arrival, and let me know in due course what arrangements are made for the Special Survey to be completed.

I am, Dear Sir,

Yours faithfully,

Assistant to the  
Secretary.
