Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

6th September, 1918.

Dear Sirs,

I am duly favoured with your letter of the 19th July last, enclosing report of survey held by Surveyors appointed by your good selves on the steamer "GRANJA", and in thanking you for your attention in the matter, I beg to acquaint you that the case has been deferred for the completion of the Special Survey No.1., but in the meantime a notation of "Examined 7.18" has been assigned.

I shall be extremely obliged if you will kindly draw the attention of the Surveyor to the fact that it is desirable on the occasion of all Special Surveys that the present condition of the various parts of the vessels examined should be given in the spaces provided for the purpose on the report forms, and I shall be glad if in the event of any similar cases occurring in the future, the Surveyor will be guided accordingly in drawing up his report.

I am, Dear Sirs,
Yours faithfully,

Messrs. Chiazzeri & Co., Ltd.,
Lloyd's Agents,
P.O. Box 292,
LOURENCO MARQUES,
Delagoa Bay.

Secretary.
