Dear Sir,

I am in receipt of your letter of the 30th ultimo respecting the survey of the screw shaft and the special survey No. 1. of the steamer "GRANJA", and to acquaint you that the same has been placed before the Committee for their consideration.

The Committee note that the Comissao de Transportes Maritimos have agreed to have the above surveys carried out on the occasion of the next dry docking of the vessel at Lisbon, and, in the circumstances, the Committee have deferred the consideration of the case for the present. You will be so good as to inform the above named firm accordingly.

I am, Dear Sir,

Yours faithfully,

Secretary.

George Payne, Esq.,
