This vessel originally belonged to German Owners and was
ized by the Portuguese Government and as it appeared that she
d recently arrived at Lisbon the Surveyor at that port was
municated with in regard to the overdue surveys. In reply
writes :-

"I have to state that no action was taken during the
vessel's stay at this port at that time and vessels were
only being classed for Messrs. Furness Withy & Co., the
Comissao de Transportes Maritimos not deeming surveying
and classing of vessels necessary. Now they have agreed
to submit the vessel for survey, etc., when next she dry
docks at this port, which they trust will meet with the
Committee's approval".
