# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

January 23rd 1918.

Dear Sir,

With reference to your letter of the 11th of December 1916 respecting the steamer "GRANJA", I shall be glad to learn as it would appear that this vessel left Lisbon in the middle of November last whether any action was taken during her stay at your port in regard to the survey of the screw shaft and the Special Survey No. 1., which became due at the end of May 1915 and November 1916 respectively. If not you will be so good as to let me know what arrangements are proposed to be made for the requisite surveys to receive attention. I think it well to add that it will be as well to point out to the Owners that this vessel is classed in this Society's Register Book and suggest that it will enhance her value and usefulness if she retains her class.

I am, Dear Sir,

Yours faithfully,

George Payne, Esq.,  
LISBON.
