The Owners of the trawler " GAUL " Messrs Taylor & Tomlinson.Ltd have been in touch with Mr. Smellie to-day to inform him that they have arranged to send the vessel to sea tomorrow but have unfortunately overlooked their promise to carry out the Boiler & Screwshaft surveys, as per their letter of the 29th January last. The vessel has been laid up for a considerable time.

The Owners have been advised to communicate direct with you and I have therefore to confirm having wired you this afternoon as follows viz:-
