The Second Special Survey No.1 of this trawler became due in June last, but the Grimsby Surveyors now state they are informed by the Owners that it is not their desire to maintain the vessel's classification in the Society's Register Book.

In the circumstances the Classing Committee, who had the case before them on Tuesday, 29th instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
