Lo. 24/1/24

Dear Sir,

In reply to the inquiry contained in your letter of the 7th instant relating to the examination of the Screw Shaft on the Steam Trawler "STORM CENTRE", we beg to state we have conferred with the Owner and fully discussed the matter.

We are informed by Mr Baskcomb that it has never been their practice to require the Society's class with regard to their smallest vessels, and in this case he is reluctantly compelled to ask the Committee to withdraw the vessel from her present class.

We are, Dear Sir,

Yours faithfully,

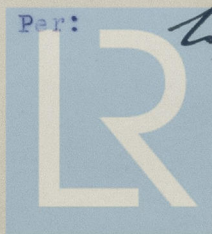

The Surveyors,

Per:

W. G. H. Kinley

The Secretary.
