Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

13th September, 1921.

Dear Sirs,

S. Reverting to my letter of the 9th instant, to which I have not been favoured with a reply, respecting your Steam Trawler "VICTORIA", I am directed to acquaint you that the case of this vessel has been again under the consideration of the Committee, and in view of no reply having been received from your goodselves regarding the completion of the Special Survey No. 2, which is now long overdue, they have had no option but to expunge the vessel's class with a red line, indicating non-compliance with the Society's Rules.

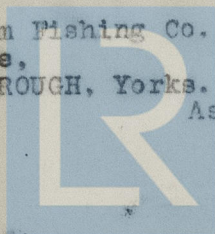

I have to add that upon the receipt of a satisfactory Report from the Society's Surveyors on the completion of the necessary survey and repairs, the case will receive the favourable consideration of the Committee, with a view to the reinstatement of the class.

I am, Dear Sirs,

Yours faithfully,

Messrs. The Stepney Steam Fishing Co.,
7, Sandside,
SCARBOROUGH, Yorks.

Assistant to the Secretary.
