                                 Hopper Dredger  
                                 12,17

-----

The First Special Survey No.1 became due in January, 1921, but the Owners now state that it is not desired to retain the vessel's classification in the Society's Register Book.

In the circumstances the Classing Committee, who had the case before them on Tuesday, 10th instant, decided to give instructions for the vessel's class to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

12th January, 1922.
